

STAMFORD | AvK™

AVR - the beating heart of your alternator

One weak link is all it takes to
break your business

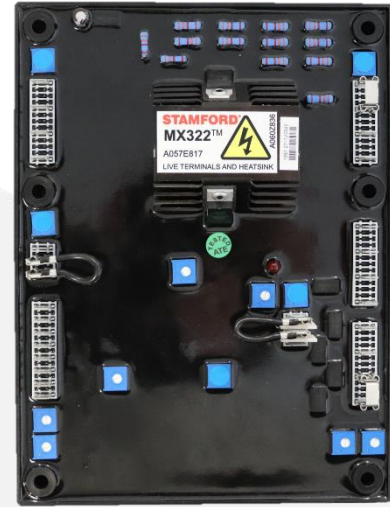

Counterfeit is a serious problem

Insist on genuine

www.stamford-avk.com

WHY INSIST ON GENUINE AVR^s?

All genuine **STAMFORD**[®] and **AvK**[®] AVR^s have 12-month warranty as standard

**12 MONTH
WARRANTY**

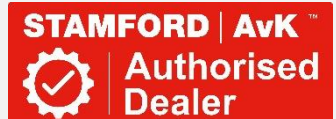

KEY BENEFITS:

- Minimise risk of plant and equipment failure
- Maximise power supply security to your customers or consumers
- Matched performance capability to alternator
- Fully compatible with machine parameters ensuring stability and responsiveness
- Tested to react in emergencies, triggering support protection systems

“ Buying counterfeit AVR^s risks damage to your alternator and will negate all of the set-up and commissioning, reducing product capability. This can result in an unpredictable protection system response, which could cause a potential hazard to your equipment. Insist on genuine to give you peace of mind, knowing you have the full support and cover of the **STAMFORD**[®] and **AvK**[®] warranty. ”

Sarah Nicholls – Product Life Cycle Engineering Director
